COLOR
Explosion

@VOSTEX we love experimenting with new, vibrant colors to see where they take our design concepts. The key is not to be afraid of using the color mix & find your way to create an interesting piece.

Our unique palette **“COLOR EXPLOSION_SS 2023 by VOSTEX”**, is ideal for branding inspiration and design. Bold combinations, infusing personality into our collections that ooze contemporary style!

Dare to try something different with these new chromatic influences, to express a message of strength and hopefulness that is both enduring and uplifting.

Get ready to “mix it up”, bold color lovers!

This season is all about spicing up your looks.
Color, Color, and more Color!

Vivid Orange

A mixture of red and orange color, a strong color that expresses joy, togetherness, energy & vitality. Vivid Orange's warm radiance has a stimulating effect and encourages us to enjoy the moment. The color of "children" and the "young at heart", it brings an ultimately cheerful mood to any fashion collection.

Bright Amber

A bright & warm color that is midway between freshness & tranquility. Bright Amber is actually a golden treasure; a rich, illuminating, distinctive color that is an excellent accent for your collection's color palette. The particular shade corresponds to a "wavelength of light", between yellow and orange you will surely fall in love with!

Ocean Blue

A deep and vivid shade of blue, unique enough to stand on its own! Submerge yourself in underwater color perception with this special shade of blue, symbolizing importance, confidence, power, intelligence & stability. Ocean Blue communicates a comfortably chic feel that remains popular in art and fashion design!

Magenta

To stand out from the crowd this spring and summer, you can add a “Magenta” touch to your creations. This deep and bright fuchsia will be one of the most memorable summer 2023 color trends, thanks to its “punchy intensity”. This regal shade of eggplant brings boldness and elegance.

Visualize this color in your own collections...

Golden Honey

An earth tone on the list of “hot” season’s colors, which is no surprise... Golden Honey, as a color to watch everywhere for this spring/summer season. This beautiful “golden backdrop” containing walnut, beige, and gold pigments is matching beautifully with tons of other colors, including white, orange, green, pink, blue & brown. We are seeing it everywhere, are you?

Almost black is the new... well, black!

Emerald Green

A bright and playful green that functions well as an accent, inside or out. Emerald Green symbolizes wealth, refinement, and royalty. Additionally, it represents balance, harmony, renewal, and growth. It has a cooling influence and “wakes up” with pink, peach, ruby red & white. Powerful and easy to use, think about it!
